

Rule No. 22  
CALIFORNIA MILITARY FAMILIES RELIEF ACT

A. GENERAL

(N)

The purpose of this Program is to implement the California Military Families Financial Relief Act of 2005 by providing water utility service shutoff protection for a 180 day period to families of service members who are called to active duty.

B. DEFINITIONS

1. "Service member" means both of the following:

A. Members of the militia called or ordered into active state service by the Governor pursuant to Section 143 or 146 or into active federal service by the President of the United States pursuant to Title 10 or 32 of the United States Code.

B. Reservists of the United States Military Reserve who have been called to full-time active duty.

2. "Military service" means full-time active state service or full-time active federal service, as defined in paragraph A above, or full-time active duty of a reservist, as defined in paragraph B above, for a period of 30 consecutive days.

3. "Qualified customer" means the customer of record of a qualified household.

4. "Qualified household" is a residential household for which the income is reduced because the customer of record, the spouse of the customer of record, or the registered domestic partner of the customer of record, as defined by Section 297.5 of the Family Code, is a service member called to full-time active military service by the President of the United States or the Governor of this state during a time of declared national or state emergency or war.

B. APPLICATION FOR PROTECTION

Application for shutoff protection shall be submitted in writing to the utility at its regular business office and accompanied by a copy of the activation or deployment order of a service member that specifies the duration of the active service. The Application shall include: "I understand that the protection afforded by the Act only defers the time of payment of all water charges and does not waive or cancel them."

A qualified customer receiving assistance under this rule shall notify the Company if the active duty status of the service member is either shortened or extended.

If the qualified customer moves out of the residence that is receiving shutoff protection, he/she shall provide the company a written notice that includes the date of service termination and a valid forwarding address.
