

Valencia Water Company

Is proud to announce that we are offering
FREE Residential Water Surveys to our customers!!

This exciting conservation program is designed to benefit our customers by helping them be more efficient with their water use inside the home, as well as the outside irrigation and landscaping.

The survey includes the following:

- A complete evaluation of how water is being used in your home.
- A complete evaluation of your irrigation system.
- Free low flow fixtures such as shower heads and faucet aerators- Installation Included.
- Detection of any leaks.
- Information on rebates offered by VWC at no cost.

The surveys are conducted by professional representatives trained in water conservation and irrigation practice.

***Must be Valencia Water Company Customer for eligibility**

For more information or to schedule a residential water survey, please call WaterWise Consulting Inc. at **(888) 987-9473**
